SECOND JOINT CASE RESOLUTION STATUS REPORT

Plaintiff Tennessee Riverkeeper, Inc. and Defendant The City of Lawrenceburg, Tennessee Acting by and through the Lawrenceburg Board of Utilities Commission d/b/a Lawrenceburg Utility Systems (“LUS”) (collectively, the “Parties”) provide this Report as the Second Joint Case Resolution Status Report. It confirms the progress on the Parties’ continuing substantive attempts toward reaching a complete resolution of issues between them, pursuant to the Court’s Initial Case Management Order entered on April 28, 2021. The Parties confirm as follows:

1. The Parties are continuing with the discovery process. Information continues to be exchanged that allows each party to substantively evaluate their respective positions and engage in good faith settlement negotiations.

2. Counsel for the respective Parties have engaged in periodic settlement discussions, including recently, both by telephone as well as in person contemporaneously with the deposition process. Counsel have reviewed and discussed such information with each other and with their respective clients. In addition, counsel for the respective parties have engaged in dialogue over the

law applicable to the issues before the Court in light of relevant facts anticipated to be presented at trial.

3. The Parties believe that the settlement discussions and negotiations thus far have been reasonably productive though certain issues remain on which the parties plan to continue discussions in an effort to reach resolution of matters before the Court.

Respectfully submitted.
